Homeland Water-Based Ink Removers
Re-Wet-O-Matic Technology

RE-WETTING AGENT

DRY INK REMOVER ADDITIVE

NEW & IMPROVED

PRODUCT INFORMATION

Ultra 101 Super is a virgin grade blend of the highest quality ingredients and maximum concentration (virtually no water) of liquid detergent and ink dissolvers.

Ultra 101 Super is designed for the removal of soil from all surfaces tolerant of water applications. It penetrates and floats away soil easily and rinses freely leaving no slippery surfaces, and exerts fast penetrating and emulsifying action. This solvent-free formula will take the place of highly corrosive materials that can damage or pit equipment.

CAUTION: KEEP OUT OF REACH OF CHILDREN

DANGER:

Causes Serious Eye Damage

Harmful if swallowed.

Prevention: Do not allow contact with skin or clothing.

Wash hands and any exposed skin thoroughly after handling. Wear protective gloves Wear eye / face protection

-EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTRE or doctor/physician.

-SKIN: IF ON SKIN (or hair): Wash with plenty of soap and water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse.

-Specific Treatment: See Safety Data Sheet Section 4: "FIRST AID MEASURES" for additional information.
