REMOVES INK & GREASE FROM WASHABLE SURFACES

FORMULA

609

All-Purpose Cleaner

PRODUCT INFORMATION

Formula 609 is a concentrated liquid detergent designed for the removal of soil from all surfaces tolerant of water applications. It penetrates and floats away soil easily and rinses freely leaving no slippery surfaces and exerts fast penetrating and emulsifying action. Removes ink, grease, grime and other soils from all water-washable surfaces. Formula 609 is a chemically treated wetting agent containing all low pH ingredients. This solvent-free formula will take the place of highly corrosive materials that can damage or pit equipment
