American Solutions

Homeland Powdered Water-Based Ink Removers

FORMULA ORANGE

719

PRODUCT INFORMATION

Formula Orange 719 dissolves ink on contact, greatly reducing buildup of dried ink on rolls, ink trays, plates (photopolymer and rubber) and ink dispensing pumps. Formula Orange 719 is a non-corrosive and non-flammable biodegradable solution that will address most safety issues for personnel and help with the protection of equipment.

CAUTION

- ◆ This product may cause skin irritation if not diluted
- ◆ In case of contact, immediately flush eyes or affected area with water for at least 15 minutes.
- ◆ Call a physician if irritation persists
- ◆ Harmful if swallowed
- ◆ Keep out of the reach of children
- ◆ *Health-1 Flammability-0 Reactivity-0 Personal-B*
