

RUBBER REMOVER is an economical detergent specifically for use in automatic scrubbing machines to be used at airports and on airport runways. Designed with natural soaps, sequestering agents and soil suspenders. When you use this product there is no danger of damage to the wiring of your automatic scrubber caused by excess suds. In addition, it is easier for the machine to pick up the cleaning solution, since there are fewer suds. This product is safe on all resilient flooring, terrazzo, concrete and marble.

RUBBER REMOVER

*CONTROLLED SUDSING

*REQUIRES NO RINSING

*DISSOLVES COMPLETELY IN WATER

*WILL NOT CLOG OR HARM SCRUBBING MACHINES

*PENETRATES AND CLEANS BY CHEMICAL ACTION

*SAVES TIME AND LABOR

DIRECTIONS

In Automatic Scrubbing Machines: Use 2 oz. per gallon of water. This concentration will not harm the wax surface.

For extra heavy duty cleaning: Use 5 oz. per gallon of water.

This product may also be used for regular cleaning by the mop or spray method.
